PROFESSIONAL SUMMARY

CSE undergraduate (CGPA 9.28/10, KEAM Rank 11070) with hands-on Full Stack, Mobile, and AI project experience built through three internships and six academic builds spanning MERN, IoT, and computer vision. Comfortable across the stack — from REST APIs and cloud integration to responsive UI. Balances technical delivery with proven team leadership as a college dance coordinator and IEEE member.

TECHNICAL SKILLS

Languages: Java, Python, C, C++, JavaScript, Dart
Web: HTML, CSS, React.js, Node.js, Express.js, Tailwind CSS
Mobile: React Native, Flutter
Databases: MongoDB, MySQL
Cloud & Tools: AWS, Git, GitHub, Postman
Core CS & AI/ML: DSA, OOP, DBMS, Operating Systems, AI, Machine Learning

EDUCATION

Mar Baselios College of Engineering and Technology (Autonomous) **2023 – 2027**
B.Tech. Computer Science & Engineering | CGPA: 9.28/10 | KEAM Rank: 11070

St. Thomas Residential School, Thiruvananthapuram **2021 – 2023**
12th: 93.40% | 10th: 94.20% (CISCE)

PROJECTS

EventHub — Full-Stack Event Management Platform *React.js · Node.js · Express.js · MongoDB · Postman*

- Built a full-stack MERN platform for end-to-end event creation, registration, and management.
- Designed REST APIs backed by MongoDB, validated through Postman for reliability.
- Shipped a responsive React.js interface for a smooth user experience.

Wearable Silent Alarm System for Smart Hostels *ESP8266 · AWS Cloud · ThingSpeak · MAX30102 · IoT*

- Engineered an IoT safety wearable using ESP8266 and MAX30102 to monitor vitals and trigger silent alerts.
- Connected device telemetry to AWS Cloud and ThingSpeak for real-time remote monitoring.
- Designed for discreet emergency signaling in hostel safety scenarios.

Musify — Flutter Music Management App (Frontend) *Flutter · Dart · Material Design*

- Built a Flutter/Dart front end for music browsing and playback, following Material Design.
- Delivered responsive UI screens across device sizes.
- Managed iterative development through Git version control.

Litter Detection System (Team Project) *YOLOv11 · VLM · Python*

- Collaborated on a CCTV-based waste-detection system using YOLOv11 object detection.
- Helped integrate a Vision-Language Model for semantic verification and auto-generated descriptions.

Activity Points Tracker (Team Project) *Web Dashboard*

- Collaborated on a dashboard for tracking student activity points across events and certifications.
- Contributed to grading workflows that streamlined teacher certificate review.

AR Navigation System — Phase I (Team Project) *Unity Engine · AR*

- Collaborated on a Unity-based AR navigation solution using animated pointers to guide users to a destination.

INTERNSHIPS

Full Stack Development Intern (MERN) — ICTAK

- Built end-to-end web application skills across MongoDB, Express.js, React.js, and Node.js.

Flutter App Development Intern — ICTAK

- Gained hands-on experience in Dart and cross-platform mobile UI development.

Cybersecurity Intern — ICTAK

- Covered foundational security concepts, threat analysis, and best practices.

CERTIFICATIONS

- Google (via Coursera): AI Fundamentals — Jul 2026
- Google (via Coursera): AI for Brainstorming and Planning — Jul 2026
- Google (via Coursera): AI for Research and Insights — Jul 2026
- IBM Innovation Centre for Education / Q2D PEARL Assessment: Artificial Intelligence & Machine Learning – UG Level 3 — Scored 100% — Jul 2026
- Infosys Springboard: Python Programming · Flutter Mobile Development · Java Programming (2022)
- AWS Academy: Generative AI Foundations

LEADERSHIP

Choreographer & Dance Team Coordinator

- Led and mentored a student dance team, coordinating schedules and performances across competitions.
- Built leadership, communication, and time-management skills through consistent team delivery.

IEEE Student Member

- Engaged in technical events and workshops as part of the IEEE Student Branch.

ACHIEVEMENTS

- KEAM Rank 11070 · CGPA 9.28/10
- Green House Captain (12th) — led team to win the inter-house cup; Vice Captain (11th)
- Multiple inter-school dance competition wins

ADDITIONAL INFORMATION

Activities: IEEE · IEDC · College Performing Arts Club · College Photography Club
Soft Skills: Communication, Leadership, Problem-Solving, Initiative, Time Management
Languages: English, Malayalam, Hindi, Tamil
Interests: Dancing, Illustration & Digital Art, Reading
